Rec Riding: The Pitcocks signed up a new horse and we now have almost 30. Talked about trying to do a local overnighter. Would like to keep in Ohio to avoid having to have papers, and would also prefer a place that you don't have to picket line.

Hi Point: Getting submissions from the Pitcocks. Tammy did talk to Lori McIntosh about hi-point.

Strawberry Festival: We can't buy water and sell it, we have to buy it through the Festival. We agreed to the insurance. And yes, we can still do our strawberry shake-ups, and we have the same spot.

Futurity: At least five horses for the futurity. Next year we'll call it a stakes list.
