### **ACTS INTRODUCTION**

The purpose of this division is to introduce potential new owners to the joys of showing and riding Arabian horses by giving **BEGINNING RIDERS OF ANY BREED** an opportunity to gain experience by offering beginner classes at our Arabian horse shows.

### **RIDERS**

Riders are encouraged to be in a professionally operated lesson program (NOT REQUIRED).

Encouraged but not required to be a member of AHA. Riding suits and chaps are not allowed.

Riding pants, jodhpurs, breeches or colored jeans are considered appropriate. A neatly fitted shirt or top is suggested. A riding helmet is also mandatory for riders 18 and under and suggested for all ages. Appropriate footwear with a small heel is mandatory. Riders are NOT allowed to cross enter into any non-academy riding classes, and are ineligible to compete in ACT classes once they have shown in a full riding suit or in a non-ACT or non-Academy show.

### **HORSES**

Horses are encouraged to be lesson horses of **ANY BREED** and should display the characteristics of such, but it is not mandatory that they are utilized in a professional lesson—all horses are welcome, as long as they display good manners and a quiet disposition. A cut-back saddle for saddle seat, western saddle for stock seat, and hunt saddle for hunt seat are to be used. Work bridles and bits, including snaffles, are allowed, and running martingales are permitted and encouraged. However, tie down martingales are not allowed. Any horse or rider that is deemed unsafe or is not abiding by these rules may be eliminated by the horse show management. Horses can cross enter in ANY ACT classes, but riders may not cross enter between the Leadline Walk/Trot, the Walk / Trot Equitation, or the Walk/Trot/Canter classes. ACT entries are to follow horse show rules but are not AHA or USEF sanctioned classes. Show grooming is permitted, but not necessary as HORSES ARE NOT TO BE JUDGED.

### **JUDGING**

All ACT classes are to be judged on the ability of the rider to control and show their horse to its best advantage, and upon the riding skills of the rider. Each class should be judged on the rider's basic equitation and horsemanship skills suited to the class discipline, with emphasis placed on the rider's ability to control the horse at all times, identify correct diagonals and leads promptly, and to control their horses rate in a consistent manner. Riders should convey the impression of good posture, balance, and effective control while commanding proper speed of gaits and show ring placement. Headers are allowed in the line up in all walk-trot classes. HORSES ARE NOT TO BE JUDGED, only the rider's ability to control themselves and their horses and present themselves to their best advantage. Horsemanship Pleasure is meant to differ from the equitation class in that it is judged more on the rider's ability to display their horse to its best advantage, communicating to the judge through their horsemanship and riding abilities that the horse is a pleasure to ride and can be guided and set up to show to its best advantage.

ANY PERSON OWING MONEY TO ANY SHOW HELD IN REGIONS 13 OR 14 WILL NOT BE PERMITTED TO SHOW AT THIS SHOW UNLESS ALL AFOREMENTIONED OBLIGATIONS ARE SATISFIED PRIOR TO ENTERING.

## ATTENTION COMPETITORS

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

### USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of 125 independent organizations throughout the United States with a membership in excess of 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

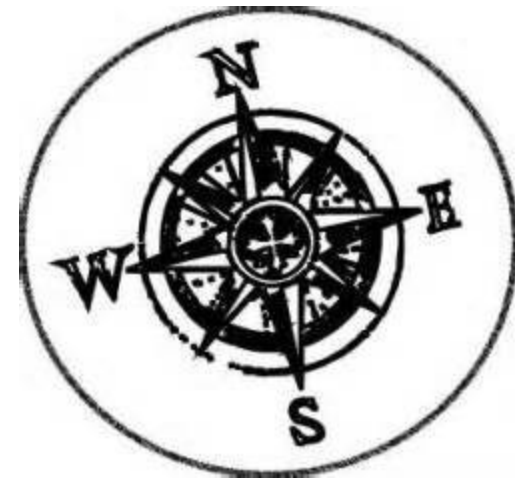

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

### **Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-year (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form. If the person cannot provide a copy of their USDF NM card, Owner/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM Identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$95) is eligible for Adequan<sup>®</sup>USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
